Quick Fact: In 2009, the Food Pantry provided
nearly 80,000 meals!!!

Here's your chance to give something back to the our great community by getting involved! This fund raising event allows almost anyone to make a significant contribution to the local community. We're providing a safe route to pedal your bike and are offering different ride lengths to suit anyone's tastes, experience or limitations. The 6-mile route only takes about an hour to complete, so dust off that bike in your garage and come take a relaxing, short ride! Families with young children can take advantage of the Family Fun Event and never leave the surrounding neighborhood of the Marion Salvation Army. We'll have plenty of activities to keep the kids entertained and busy for several hours.

So here's what you do... Ask your friends, neighbors, and coworkers to sponsor you or to just donate a flat amount. Collect their donation and mail it with your registration fee or bring it with you to the registration desk the day of the event. Remind everyone who donates that every dollar benefits Marion county residents and each dollar provides one full, nutritious meal to a neighbor in need!

Date, Time and Location: The Marion Wheels For Meals will be held Saturday, July 24, 2010. The 30 mile ride gets underway (and finishes) from the Marion Salvation Army at 8am and the 6 and 18 mile rides leave at 9am. The Family Fun Event gets underway at 9:30am.

Pre-Registration: Pre-registration is urged to help insure adequate support is provided. The deadline to pre-register and receive the discount is Friday, July 9, 2010.

Sign-In and Same-Day Registration: Participants can sign in at the Marion Salvation Army from 7am to 9am on the day of the event, but riders who depart before the designated starts will not receive safety coverage. Same-Day registration will be available during sign-in hours. Riders should arrive 30-minutes before departure.

Tour of the Marion Salvation Army: After the ride, visit the Salvation Army and witness for yourself the kitchen facility and the services they provide. This is your chance (for a small donation) to sample the quality of food served to those in need!

Routes and Events: There are three ride routes plus a Family Fun Event to choose from. The routes are either 6, 18 or 30 miles. All routes incorporate some of the favorite roads of local riders. They are relatively flat and contained to Marion County. The Family Fun Event is for families with smaller children and includes a small, safe track to ride laps and other fun events such as slaloms, skill demonstrations and bike safety training. Select riders will be designated Safety Stewards to assist other riders.
