

Heart of Ohio Tailwinds Bicycle Club

The Heart of Ohio Tailwinds Bicycle Club is a year-round source of friends, fun and exercise.

Our members range from children to retired folks, but we share a love of adventure and the great outdoors. Our club enjoys three weekly rides during the warmer months, hikes during the cooler months and wonderful companionship year-round. We sponsor the Hot Tamale Bicycle Tour on the first Saturday of June each year and are a big supporter of the Marion County Park District.

For photos from some of our trips, visit <http://www.hot-tamale.org>

The club also has an electronic discussion list – if you're going our riding and would like some one with you, just post a message!

Club Rides

Wednesday 6:00 PM rides are held from May through August. The evening ride usually goes to a nearby town for ice cream. Destination is decided by holding a finger to the wind – we like a tailwind on our return leg. Assemble at Rocky's Cyclery (239 E. Church St.) for a prompt departure at 6:00 PM. Contact No. (740) 382-9423.

Saturday 8:00 AM rides are held from May through September. This is a breakfast ride to a location chosen by the riders. Assemble for the breakfast ride at the playground parking lot north of Marion General Hospital. Contact No. (740) 382-0536.

Sunday 12:45 PM rides are held from May through September. Sometimes rides are arranged through the club's e-mail list, so please sign up and be prepared to come along. Meet at the playground parking north of Marion General Hospital. Contact No. (740) 382-5330.

Other Adventures

Hot-Tamale: Our club presents the HOT Tamale Bicycle Tour on the first Saturday of June each year. The Hot Tamale draws 400 riders from all over Ohio and nearby states. The ride is nearly flat on county and township roads with two food stops with homemade cookies and fresh strawberries.

Winter Hikes: Many of our members enjoy peaceful winter hikes during the cooler months. We will carpool to State Parks, Metro Parks, County Parks and other scenic areas in the region. Contact No. (740) 382-9952 for information.

Parties: We have several fun get-togethers each year.

Discounts: Rocky's Cyclery offers a 10% discount on bicycling accessories to club members.
