The Marion County Park District hopes to develop two rail-trail bicycle paths. One would go west of Marion, while the other would go south to Prospect, connecting with a trail in Delaware County. We hope that grants will cover 75 to 80% of the cost, but we need to raise local matching funds. The Heart of Ohio Tailwinds will donate $1 to this effort for each HOT TAMALE rider. We invite you to add your own optional donation here. If you would like your extra donation to be tax-deductible, please attach a separate check for the donation portion, payable to "Prairie Parks Foundation". Please write on the check that this is specifically for "bike trail development" or "bike projects".
